FOREWORD

Alhamdulillah, Praise and Gratitude is extended to the presence of Allah SWT, because of the mercy and grace that Allah has given, I was able to complete the preparation of the thesis entitled

This thesis proposal is submitted to fulfill and complete one of the graduation requirements in achieving a bachelor's degree (S-1) Faculty of Economics and Business, Narotama University.

In preparing this thesis proposal, I realize that the success and implementation of this research is not an individual success. Therefore, I would like to express my sincere gratitude to all parties who have provided assistance, encouragement, and prayers so that this thesis can be completed properly. My thanks go to:

1. My parents Mr. Mubarak and Mrs. Manal who always give me prayers, blessings, support, and love which means a lot to me.
2. My wife Mrs. Safa who generally gives me supplications, gifts, backing, and love which means a great lots to me.
3. My brothers and my sisters who generally give me prayers, gifts, and love which implies a ton to me
4. Mr. Dr. Ir. Sri Wiwoho Mudjanarko ST., MT., IPM. as Chancellor of Narotama University Surabaya.
5. Mr. Dr. Rusdianto Sesung, SH., MH. as the Dean of the Faculty of Law, Economics and Education, Narotama University, Surabaya.
6. Mr. I Putu Artaya, SE., MM. as the Head of the Management Study Program at Narotama University Surabaya.
7. Mr. Agus Sukoco, ST., MM as a supervisor who has sacrificed time, energy, thoughts to guide and provide advice in completing this thesis proposal.
8. Mrs. Ani Wulandari, S.S., M.M. as a lecturer who has taken the time, energy, thoughts to guide and provide guidance and advice which means a lot to me.
9. Mr / Mrs lecturers, staff, employees at Narotama University Surabaya, who have helped me a lot in completing my thesis proposal.
10. My friends: BAHBRY, Abdullah and Ebrahim who have given encouragement and encouragement in the process of completing this thesis.
11. Colleagues of Management Study Program at Narotama University Class of 2018 who also provided advice and support that helped me in completing my thesis proposal.
12. All parties who cannot be mentioned one by one, who have provided assistance to me in the process of compiling a thesis proposal.

Finally, may Allah SWT always bestow His grace and gifts to repay the kindness of all those who have helped me so far. Hopefully this thesis is useful for all parties.

ABSTRACT

The study is aimed to analyze The Effect Of Current Ratio, Debt To Asset Ratio, Return Of Asset Ratio And Total Asset Turn Over To Working Capital To Total Asset In Banking Subsector Of Finance Sector In Idx 2018-2021. The population: of this study is all banking sub-sector in The Financial Sector includes listed on the IDX from 2018 to 2021, totaling 46 companies. The sample that was determined based on the purposive sampling method was 46 companies. The data analysis technique used is multiple linear regression analysis using the SPSS program. The results showed that the Current Ratio has a partial effect on Working Capital to Total Assets. The Return on Assets has a partial effect on Working Capital to Total Assets. The Debt to Assets Ratio has no partial effect on Working Capital to Total Assets. The Total Asset Turnover has no partial effect on Working Capital to Total Assets.

Keyword: Current Ratio, Return on Assets, Debt to Assets Ratio, Total Asset Turnover, Working Capital to Total Assets
